

Madam President, Committee Members, Fellow Alumni, and Guests.

I have the pleasure and honor to present a Miamisburg Alumni Association 2010 Honor Graduate award to an alumni who just happens to be from the Class of 1960 and was nominated by 46 fellow classmates.

To give you a little background, this person has served both Miamisburg schools and our community in the 50 years since high school graduation.

This individual has worked on a wide variety of civic committees, has been involved in everything from being a Little League coach to being a Paul Harris Fellow in Miamisburg Rotary, is a member of both the Miamisburg Historical Society and Baum Opera House Association, currently serves as a member of the board for one of our local banks plus, is active in networking with other owners of small businesses in southwest Ohio. This person has also served on Miamisburg's Board of Education and is a past president of the Miamisburg Alumni Association. Plus, has supported the St. Joseph Indian School in South Dakota for over 25 years.

Through this individual's business, has not only supported the students of Mark Twain Elementary School by donating technical equipment and corrugated material, but also held hands-on work force simulations for special needs students.

This person served on the State of Ohio Career Education Association Business Partnership Committee and continues to

be a supporter of education in Lebanon, Ohio where the business this individual is associated with is now located. And, has even gone so far as to pay the school district the tax deferment that was given to the business for locating there.

This person is active in the Masonic fraternity and has ridden with Doug Sorrell as a member of the Antioch Shrine Mounted Patrol.

And finally, last but certainly not least, this individual was a class officer throughout our school years and has remained active in class reunions and in keeping members of the class interested and informed.

Therefore, it was with pride that our recipient led the Class of 1960 into the room tonight and it is with extreme pride that I have the privilege to announce Stanley “Stan” Bernard as a Miamisburg Alumni Association 2010 Honor Graduate.
