

## **“Does he ever get over his high school years”?**

I thank you for your attendance, contribution of time, and expense to make our 50<sup>th</sup> reunion such a tremendous success. We had 78 of our classmates (and their spouses and guests) join together for Friday night's festivities and 56 for Saturday's alumnae dinner-dance.

Over the years we have all amassed awards, trophies, certificates, etc. I can say, without reservation, the Honored Alumni Award I received last night is my most cherished. It has been an honor and a pleasure to serve as your class president for the fifty years since graduation. The four years in high school are merely a breath of time compared to our life experiences since then.

The class of 1960 members are some of the most dedicated, unselfish and caring people I know. I believe this is due in large part to friendships and values we developed in high school. Time has only strengthened the loyalty we have for each other and the friendships with each other that we cherish.

I wish all of you good health, happy lives, and wonderful adventures in the years ahead.....and now, on to our 55<sup>th</sup> Reunion!

Love,

Stan
